Friday, May 14, 2021

HOA-approved clubs may request to have meetings in our Ballrooms for use beginning May 17. Seating configurations and number of participants are limited as described below. Each ballroom offers a unique, static set-up to offer different opportunities.

Eagle's Nest Ballroom (beginning May 24)

The Eagle's Nest Ballroom will be preset in theater-style with rows of chairs for up to 120 total participants. This set-up is what is offered at this time; please do not move the chairs. As things progress, more set-up options will be offered.

Tuscany Falls Ballroom (beginning May 17)

The Tuscany Falls Ballroom will be preset in 16 round tables of 8 seats each up to 128 total participants. This set-up is what is offered at this time; please do not move the chairs. As things progress, more set-up options will be offered.

All other meeting rooms

As of May 17, the Palm Room at Eagle's Nest Clubhouse and the four meeting rooms in the Tuscany Falls Clubhouse (Sienna, Milan, Palermo and Capri) will resume full capacity. They will be preset only, special set-up requests cannot be accommodated currently. We remind all users that you may not reconfigure these tables and chairs. We will return to more set-up options as operations continue to open more fully. The Chianti South Meeting Room is not yet available for bookings, nor is the Chianti Dining Room.

Sienna Room: Capacity 32; 8 tables of 4
