

# LLL Virtual Learning Center is open!

Friday, May 29, 2020

---

Instead of watching movie reruns or playing solitaire, why not take a tour of hard-to-reach Arizona landmarks, visit one of the world's finest museums or take a class about something you've never learned before?

In this time of Covid 19, LifeLong Learning continues its mission to bring the high-quality learning opportunities to the residents of PebbleCreek. We've been searching for virtual lectures, classes and tours and cataloguing them on the LLL website to make it easy for you to explore. Please visit the [LLL Virtual Learning Center](#) . As new opportunities are found we will be adding them to the site. Have suggestions? Please email them to [info@lifelonglearningatpc.org](mailto:info@lifelonglearningatpc.org).
