

## **Eagle's Nest and Tuscany Falls Libraries preparing to open soon; your help is needed**

Thursday, March 18, 2021

---

Library volunteers are working toward opening the libraries at Eagle's Nest at Tuscany Falls again, but in order to do this, your help is needed. Beginning Monday, March 22, library volunteers will begin collecting both returns and donations of books and puzzles at both library locations. Volunteers expect a large influx of items and need your help to make the process go as smoothly and quickly as possible. As a result, we have changed the dates for books and puzzles that will be maintained in the library, please note them below.

Large bins will be made available near the main clubhouse doors for all deposits, use them rather than putting items in the library.

**The libraries will not be open on this date, but soon.**

**Don't wait until the libraries are open to return or donate - please make the extra trip.**

Following the guidelines below for returned and donated items will help volunteers a great deal:

- **Books and Puzzles with library labels:** return them to the appropriate library.
- **Puzzles with Eagle's Nest labels:** We are only shelving puzzles from 2019-2021. If older, please donate or recycle elsewhere.

- **New Donations of Books:** We are accepting books dated 2015-2021. The publishing date is found on the first few pages of the book. Please donate or recycle older books elsewhere.
- **New Puzzles:** Newly donated puzzles can be returned to either library.
- **Magazines:** Magazines are not being collected at this time.

With your assistance getting the returns back to us, and making sure the above guidelines are followed, we can reopen our treasured libraries, better than ever!
