

Rules reminder: Smoking is prohibited in HOA Facilities

Thursday, January 7, 2021

Section 11.14 of the HOA Rules states the following:

Smoking: Smoking, e-cigarettes and vaping are not permitted within any PebbleCreek facility buildings, pools, restaurant patios, outdoor sports facilities or within 20 feet of any building entrance, open window or ventilation system. The Board may establish designated smoking areas.

With this in mind, this is a reminder that smoking includes any substance; tobacco, cigar, pipe, vape, etc. While this rule has been in place for years, violations had not been frequent. Due to an increase in reported violations and complaints, the HOA Board is advising all residents and visitors that as of Monday, Jan. 11, 2021, this rule will be strictly enforced. Signs will be posted in higher-traffic areas. Please do not smoke in HOA Facilities, including patios, and please do not smoke within 20 feet of these locations.
