

## **Temporary changes to Food & Beverage operations; to include some expanded services at Toscana's**

Monday, July 20, 2020

---

After review and analysis, the HOA Board and management have decided to temporarily close Eagle's Nest Restaurant. They will continue to provide service through Friday, July 31, 2020. The impact of COVID-19, the renovation of the Golf Course, and remodel of the Restaurant and Clubhouse drove this decision. Most of the staff will temporarily move over to the Toscana's building, including Chef Mary.

Operating out of one location allows the Food and Beverage team to consolidate efforts and serve you more efficiently. In addition, it will allow staff to offer expanded services, and make it possible to complete the remodel at Eagle's Nest more quickly. Further, there will be no service interruptions to the takeout offerings that would have been necessary during the remodel. Meals-to-Go will still be available and under Chef Mary's culinary direction; patrons will simply go to Toscana's for pickup instead.

Eagle's Nest Restaurant is estimated to remain closed through early fall to coincide with the Eagle's Nest Golf Course reopening and completion of the Clubhouse remodel.

In addition, the Food & Beverage team is pleased to also announce the following for Toscana's beginning August 1, 2020:

- Expanded dine-in hours
- Breakfast service

- Daily early-bird dinner specials
