### **Toscana's Restaurant closure extended to November 7**

The closure of Toscana's Restaurant for the renovation of the kitchen is being extended through Nov. 7. The extension is due to a delay in the availability of materials with one of the vendors. While we do expect to be ready Nov. 7, should any further delays occur, we will notify the community.

During the kitchen renovation we have been pleased that all Toscana's food operations were relocated to Eagle's Nest Restaurant, where enhanced hours of service, including dinner service, have been taking place during the closure.
