

# Men's Series Classes

Pebble Creek Golf Academy is proud to offer our progressive group class series for both Men and Women. Our goal is to help beginner to intermediate skilled golfers increase their enjoyment of the game in a cost efficient and low stress group environment. Learn to become familiar with a golf facility, establish relationships in the golf community, and learn fundamental golf techniques. Over time, learn and develop the confidence to enjoy the game of golf for many years to come.

The curriculum is designed to teach putting, chipping, and full swing techniques based on your current skill level through a once a week class for six weeks. The starting point is Level-1, designed for a golfer who is beginning and/or averaging a score of 60 or more for 9 holes. Level-2 curriculum is designed for the golfer who has played before but needs to review their knowledge and understanding of golf fundamentals and may be averaging a score of 50 to 60 for 9 holes. Continue progressing in Level-3, for the golfer who may average a score of less than 50 for 9 holes. Designed to develop consistency in each area of the game and build the confidence needed to enjoy the game with new friends, league play, or tournament play.
